

A. Have you ever been to...

any exotic countries

any third-world countries

the southern hemisphere

B. Do you have any plans to travel soon?

- I'm **leaving** for Tokyo this Saturday.
- I'm **staying** at some cheap hotel.
- I'm **coming** back on the 23rd.
- Maybe I'll **buy** some souvenirs and visit my relatives.

I'm not going anywhere soon.

C. Is traveling a hassle?

I **definitely** think so. After all,

1. you have to **make travel arrangements**
2. you have to **pack your bags**
3. you have to **line up several times at the airport**
4. you have to **sit on a crowded plane**
5. you have to **clear immigration**
6. you might have to **deal with jet lag**
7. you might **get a crappy hotel**
8. and worst of all, if you **go on a tour**, you have to **wake up early!**

Please tell me what's so good about traveling?

The novelty?

It's not **THAT** bad!

- A - I hate traveling!
B - Come on, it's not *that* bad.

It's not a big deal

- A - I don't like lining up at airports
B - It's not a big deal, is it?
